

Name _____ Date _____

Homework # 2

Use partial quotient to find the answer

$$5 \overline{)194}$$

$$4 \overline{)241}$$

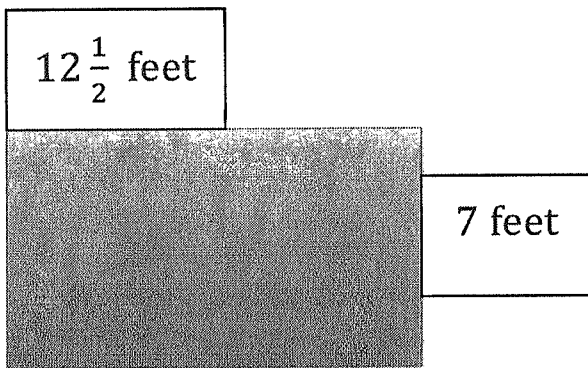

$$4 \overline{)108}$$

$$4 \overline{)184}$$

$$4 \overline{)232}$$

$$8 \overline{)725}$$

Find the area

Read and solve the word problem below. Don't forget your units!

Brandon and Maggie each made a bowl of punch. Brandon used $\frac{1}{2}$ of a cup of lemonade. Maggie used $5\frac{1}{3}$ times as much lemonade as Brandon did. How many cups of lemonade did Maggie use?
